Success!

- Nationwide Webcast Initiative
 - Cooperative effort between NYS Forum, Corporate Roundtable, CSCIC, Homeland Security and Multi-State Information Sharing Analysis Center
 - 850 Registrants, 44 States, > 120 Local Governments and nearly 100 federal agencies for the June 22nd Webcast
 - Next webcast on August 26th, by CA and Ernst & Young, focusing on risk assessments

Security

- Continue with National Webcast Initiative
 - Next topic will be Vulnerability Management
- Focus on developing a program to assist small and medium agencies with security
 - Foster partnership with the CIO Council and NYS CSCIC to assist with this initiative
- Align with CIO Council and CSCIC to foster educational initiatives for emerging state needs i.e. identity and access management

Business Continuity

- Educational Initiatives
 - Continue with presentations on BCP fundamentals at GTC, ICEDP and the Cyber Security Conference
- Create a “BCP Day”
 - Full day series of seminars focusing on BCP fundamentals, case studies, how-to’s, executive commitment, etc.
- Establish a statewide clearinghouse/repository for BCP and Disaster Recovery
